

FREE AIR COM

A black helmet is positioned on the left side of the frame, partially overlapping a black t-shirt. The t-shirt is laid flat on a light-colored surface. The text 'FREE AIR COM' is printed in white, bold, sans-serif capital letters across the chest. To the right of the text is a white circular graphic with a black dot in the center, resembling a CD or a vinyl record. Above the text and graphic, there are two small white buttons and a small white tag attached to the t-shirt's collar.
